

Barclays Code of Conduct

1. Purpose and Values

- **Integrity:** Act honestly and transparently in all dealings.
- **Respect:** Treat colleagues, customers, and communities with dignity.
- **Service:** Put clients' interests first and deliver responsibly.
- **Excellence:** Strive for high standards in performance and innovation.
- **Stewardship:** Safeguard Barclays' reputation and contribute positively to society.

2. Compliance and Legal Obligations

- Adhere to all applicable laws, regulations, and internal policies.
- Cooperate fully with regulators and auditors.
- Report any suspected breaches promptly.

3. Customer Commitment

- Protect customer data and privacy.
- Provide fair, transparent, and responsible financial products.
- Avoid conflicts of interest and disclose them when they arise.

4. Workplace Conduct

- Promote diversity, equity, and inclusion.
- Maintain a safe, respectful, and harassment-free environment.
- Encourage open communication and accountability.

5. Ethical Business Practices

- Reject bribery, corruption, and unethical inducements.
- Ensure responsible sourcing and vendor relationships.
- Uphold sustainability and environmental responsibility.

6. Confidentiality and Data Protection

- Safeguard sensitive information.
- Use technology responsibly and securely.

- Report data breaches immediately.

7. Accountability and Reporting

- Employees are responsible for their actions and decisions.
- Speak up culture: encourage reporting of misconduct without fear of retaliation.
- Managers must lead by example and enforce standards consistently.
